UTILITY PAYMENT AGREEMENT

I, _____ do hereby agree to pay my utility bill by making a payment installment plan.

I further agree that there is no dispute as to the amount owed and that I have received all notices required and the Utility Billing & Disconnection Procedures.

I agree to pay half of my past due balance of \$_____ and the remainder on or before the 1st of the following month per the installment plan procedure.

1st half \$_____ today, _____;

2nd half \$_____ on or before _____.

Therefore, I agree and consent to the disconnection of all utilities without further notice, should I fail to make timely payment of the amount and on the date as set forth above.
